

# FISH!

---

This workshop is designed to encourage teams or individuals to embrace their daily work with a renewed energy, passion and positive attitude by applying the **FISH! Philosophy: 'Make Their Day', 'Play', 'Be There' and 'Choose Your Attitude'**.

This **fun-packed session** will provide participants with an overview of the FISH! Philosophy, case studies of successful Australian companies that have embraced the principles, and plenty of brainstorming opportunities to learn from others. There will be practical take home applications for all types of organisations and individuals.

- Improve your quality of life and zest for work
- Create a more innovative work culture, which will lead to improved staff retention and productivity.
- Boost personal and team morale
- Improve your level of internal and external customer service

The philosophy was first introduced in **FISH! — an international best seller** that has sold over one million copies, is published in 11 languages and has been a *Wall Street Journal*, *New York Times* and *Business Week* best-seller for over two years.

The phenomenon created by FISH! has been proven internationally by such organisations as McDonalds, Amazon.com, Boeing and Hewlett Packard and in Australia with Telstra, Flight Centre, Brisbane & Gold Coast City Councils, TAFE's, Tourism Queensland, Dept Transport Qld, Dymocks Booksellers.

## **A Remarkable Way to Boost Morale and Improve Results**

### **Presenter: Rowland McGabhann**

Rowland McGabhann is a fun and highly interactive presenter which will leave you with the belief that anything is possible. His ability to impact on your team and the changes he implements will stay with them for a long time..

A former Irish national and international sporting champion, stuntman and entrepreneur he has lived and competed in some of the most exotic places in the world. To do this, he had to overcome a tough upbringing in the rough neighbourhoods of post war Dublin and a personal health setback
